Tenacious and Tina came over to help Arawen and G4 shovel snow. The shoveling lasted about two minutes. I don't think much shoveling got done after that.

Sam and Summer said they were heading out for some “training..” Right. They said it was fun, breezy, and bouncy. I can easily imagine it being ‘bouncy...’ for some reason.

Wendacora and Tempestt stopped by to help Ar and G4 rake some leaves. This was almost as successful as the snow shoveling back in January... I think there are more leaves on the ground now than when they started!

We hope you enjoy this 2018 Calendar, and find it both useful and decorative. Many hours of pleasurable work has gone into its creation. The T.N.A. Story has grown into more than just a whim of my overly active muse. It started out as a short story of 3 chapters of 10 pages each. It is now in its 6th chapter, and going strong. As the author / creator I have you, my fans to thank. In addition there have been several folks that have contributed to the story, and made it into something far better and more fun than just 'my' story. Thank You all!

This PDF version is free for you to enjoy. It is saved at 300 DPI, and printable for personal use.

I would like to thank the following artists and vendors for thier contributions to both the story and this calendar:

- Diemamker (Dan)**
- Eekdog (Steve)**
- Faemike55 (Mike)**
- T.Rex (Michael)**
- Grey_Cat (John)**
- Desgar (Wesley)**
- Mrestey (Mike)**
- Pixeluna (Jenny)**
- SidheRoseGraphics (Rayvn)**
- Vyktohria (Victoria)**
